SUMMARY

As a B.Tech student in Computer Science and Engineering specializing in Data Science, I have strong analytical skills and a passion for machine learning and data-driven solutions. Proficient in Python for data analysis, I have hands-on experience with Scikit-learn and TensorFlow, along with knowledge of model development and deep learning. My solid understanding of statistics and DSA in Java is demonstrated by solving over 100 challenges on LeetCode.

EDUCATION

Meerut Institute of Engineering and Technology college

B.Tech in Computer Science and Engineering (Data Science) | 2023 – 2027

SGPA: 8

SKILLS

- Programming : Python Java C/C++ JavaScript
- Frontend/Backend : HTML Tailwind CSS React Node.js REST API MongoDB MYSQL Flask Data
- Analysis/Visualization : Pandas NumPy Matplotlib Seaborn Power BI Tableau
- Machine Learning&Tools : Scikit-learn TensorFlow OpenCV VS Code Google Colab Jupyter Notebook

PROJECTS

AI-Based Attendance System | https://github.com/abhishek16112006/Student_Management_System.git

- Created an intelligent attendance system incorporating facial recognition (OpenCV, face_recognition), complete with location verification and automated tracking.

Sales Data Analysis System | <https://github.com/abhishek16112006/sales-analysis.git>

- Analyzed 5000+ rows of sales data to identify trends and customer behavior
- Performed data cleaning and preprocessing to ensure ~95% data consistency
- Created visual dashboards using Pandas, Matplotlib, and Seaborn for insights

AI-Based Interview Bot | https://github.com/abhishek16112006/ai_interview_bot.git

- Developed an AI-powered interview system to simulate real-time technical interviews using NLP
- Integrated question generation and response evaluation
- Designed interactive UI and backend APIs for seamless user experience

CERTIFICATIONS

- Introduction to image generation
- Big basket
- Introduction to generative AI studio
- SQL Super star Program MIET x TrendyTech

STRENGTHS

- Strong analytical and problem-solving skills
- Effective communication and teamwork abilities
- Adaptable and quick learner with attention to detail
